

End User UX Testing Form

mélodie is the next generation virtual piano, robust and fully tested. Made with love using React <3

The link for mélodie is : <https://melodie.netlify.app>

***Required**

1. How clear are the instructions? *

Mark only one oval.

	1	2	3	4	5	
Unclear	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Very Clear

2. Is there anything that can be improved about the instructions?

3. How easy is it to use the different components? (e.g. white and black keys, volume and metronome) *

Mark only one oval.

	1	2	3	4	5	
Not Easy	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	Very Easy

4. Is there anything that can be improved about the navigation or components? *

5. How would you describe your overall experience with mélodie? *

6. What did you like the most about using mélodie? *

7. What did you like the least? *

8. Are there any adjustments or future changes that we should be aware of?

Thank you!
